

Your Elf friend has arrived!  
Excited for our holiday  
adventures!

Farewell, friend! I'll miss you and all  
the fun we had together. Stay  
good for Santa all year!

I played hide and seek with your  
socks. Don't worry, they're hiding  
in safe places!

Oops, I made a little mess in  
the kitchen. Sorry!

I hid a small treat for you.  
Can you find it?

I had a dance-off with your  
toys. I totally won.

I took a selfie with your toys.  
They're more photogenic at  
night!

Remember, elves are  
watching. Be good!

I told Santa how great  
you've been this week.

I organized your toys. They  
prefer a more chaotic  
arrangement.

I'm practicing my snowflake  
making. Your living room is now a  
winter wonderland.

Keep your room clean.  
Santa likes tidy kids!
