Remember to brush your teeth this morning!

I hope you have a fantastic day today!

I tried to create a snowstorm with shredded paper. The room is now a winter wonderland!

I noticed your pet trying to wear my tiny shoes. Cute! Maybe they're joining the elf fashion show!"

Tell me one thing you learned today!

I saw you lending a helping hand. Kindness is the best gift – you're like a little elf spreading joy today!

I found your collection of stickers. Can I borrow a few for my elf-sized scrapbook?

Christmas is coming!
