

I tried making a snowman out of marshmallows. He's a bit squishy, but he's got a great personality!

I tried to write a letter with your pencils. Turns out, elf-sized letters are a bit hard to read!

I noticed your room was exceptionally tidy today. Santa appreciates a clean space. You're on the nice list for sure!

I caught you being kind yesterday. Santa's impressed!

I heard you were extra polite today. Politeness is like magic – it makes everyone's day brighter!

I attempted to make a snow angel out of sugar on the kitchen table. Sugar angels are now my signature move!

Tell me something you are grateful for today!

psst! I snuck a candy cane under your pillow!

I'm sleepy today. I won the snowball fight at the north pole last night!

You did a great job of decorating the Christmas tree!
