

Your smile is brighter than
Christmas lights.

I'm writing a book: 'Elf
Adventures in Your Home.'

I've had so much fun with
you this year. See you
December 1st next year.

Santa's sleigh is getting
packed. Exciting!

I love how you decorated
the tree. It's beautiful!

Let's go for a walk or drive
to see all the pretty
Christmas lights!

Let's do an extra chore we don't
normally do to help out today. I'm
going to help clean out Santa's
Sleigh tonight.

I'm watching for kindness
and good manners.

Shh, I'm playing hide and
seek with the reindeer.

Have you written a letter to
Santa yet?

I helped decorate. The
tree is now 90% tinsel.

Did you know I love cookies?
Just saying!
