

Sorry for the mess.  
Whoops!

I'm just hanging around. It's  
what I do best!

Santa asked about your room's  
cleanliness. I said it's a creative  
mess!

Let's bake. I'm hungry!

Hosted a midnight party with  
your socks. They're a bit  
tired today, so if one goes  
missing, it's napping.

Can you think of a funny  
joke to tell Santa?

I tried to build a fort. It's  
more of a blanket pile now.

What do you think elves do  
for fun at the North Pole?

Tried to make candy cane  
soup. It's... an acquired taste.

I'm learning origami. Your paper is  
now... artistically folded.

I started a diary: 'The Secret  
Life of an Elf.' It's very  
secretive!

I'm learning magic tricks. Now,  
where did your remote go?
