

all a number got 250 for the
over, so I retired badly wounded
Smith called at night school last
day and told me he had seen
I survived - so I asked him to
remember me to you which I hope
warlet did. Have you heard the
of the German soldier who had his foot
off and asked the Irish private to
to the rear. On the way a shell
off the German's head but Mick
not aware of the fact. On arrival,
said, "What's the good of bringing
an with his head shot off, Mick
lead, is it" say Mick "He told me
his feet"! So cheer up, but
all soon be up and doing,
